

**Performance**  
*on tough weeds.*

**Quality**  
*you can count on.*

**Priced**  
*to be a great value.*

Put the **Power of 3** to work for you.

RT 3™ herbicide is specially formulated to outperform competing herbicides on tough weeds in tough conditions. Plus, it's rainfast in just one hour and backed by Monsanto sales and technical support. Ask your retailer about RT 3 and put the power of 3 to work for you.

**Performance. Quality. Price.**
