

ENDNOTES

1. Monsanto was incorporated in 2000 as a subsidiary of Pharmacia Corporation and includes the operations, assets, and liabilities that were previously the agricultural business of Pharmacia. With respect to the time period prior to September 1, 2000, references to Monsanto in this annual report also refer to the agricultural business of Pharmacia.

Trademarks and service marks owned or licensed by Monsanto and its subsidiaries are indicated by special type throughout this publication. Unless otherwise indicated by the context, references to Roundup products in this report mean Roundup branded herbicides and other glyphosate-based herbicides; all such references exclude lawn-and-garden products.

This report is printed with soy-based inks on recycled paper that contains at least 10 percent postconsumer waste.
