

Drive Ethanol *into the Future*

with the Energy Independence-85 (I-85) Vehicle Program.

Grow Monsanto's Processor Preferred[®] High Fermentable Corn and Save Thousands on GM[®] E85 FlexFuel vehicles.

- Use GM E85 FlexFuel incentives on factory orders or purchases off the lot.
- Get Free OnStar[®] Safe and Sound Package for the first year and \$100 off for the next two years for factory ordered vehicles with available OnStar.

Processor Preferred[®] High Fermentable Corn (HFC) can deliver higher yield potential to you and the ethanol plant. Help drive the success of ethanol into the future by choosing Processor Preferred HFC and through our I-85 Vehicle Program, you'll have the opportunity to receive E85 FlexFuel Certificates good toward thousands of dollars off GM E85 FlexFuel vehicles.

GM® E85 FlexFuel Incentive Examples

Purchase a minimum of 100 units of Processor Preferred® High Fermentable Corn (HFC) for the 2009 season and receive E85 FlexFuel Vehicle Certificates good for the following incentives.

Tahoe ★ \$2,800 off

Impala ★ \$2,800 off

Avalanche ★ \$5,000 off

Silverado ★ \$4,800 off

Sierra ★ \$4,800 off

Yukon XL ★ \$2,800 off

All incentives are off Dealer invoice, not MSRP. Not all models may be available for factory order based on GM ordering windows.

All Eligible Models

Model	Allowance
Avalanche	\$5,000
Express/Savana Cargo, Cutaway, Passenger	\$3,900
HHR	\$2,000
Impala	\$2,800
Lucerne	\$2,200
Silverado/Sierra 1500 Regular Cab*	\$3,150
Silverado/Sierra Extended, Crew Cab	\$4,800
Tahoe*/Yukon*/Yukon XL/Escalade*/Escalade ESV/Escalade EXT/Suburban	\$2,800

Note: Discounts are off invoice for Fleet Orders. Specify I-85 FlexFuel engine on your order.

*Escalade, Silverado, Tahoe and Yukon hybrid versions do not qualify.

Ask your seed dealer about Processor Preferred HFC hybrids.

One certificate per vehicle purchase.

User Terms and Conditions:

- If you don't use your incentive on purchases off the lot, GM E85 vehicle(s) must be ordered through a local GM Dealer. (Typical delivery is 6 to 8 weeks after order is placed.)
- Give your local GM Dealer the Processor Preferred E85 FlexFuel Vehicle Certificate at the time of purchasing or ordering your vehicle.
- If you use your incentive on purchases off the lot, you must provide your dealer with the CAP Out-of-Stock form.
- Processor Preferred E85 FlexFuel Vehicle Certificate(s) will only be available with sign up until May 1, 2009 and must be used on 2009 vehicles.
- Check with your dealer for ordering deadlines for factory ordered vehicles.
- Processor Preferred E85 FlexFuel Vehicle Certificate(s) may not be combined with any other offer.
- GM Business to Business Credit Card points are eligible to be used in conjunction with this offer. All other GM Credit Card points are not.
- Only original Processor Preferred E85 FlexFuel Vehicle Certificate(s) are valid and will be honored by participating GM dealerships.
- Eligible corn growers can obtain additional Processor Preferred E85 FlexFuel Vehicle Certificate(s) through the enrollment website at ProcessorPreferred.com.
- The number of certificates issued may be limited, at Monsanto's discretion.
- Certificate can only be redeemed by farm/corporation employee or family member of seed purchaser.
